Davis Creek Cyclocross

Robert Braun, Cyclocross Race Director

Fun on a bike come sun or rain or snow...

Alta Alpina Cycling Club will be hosting the third annual Davis Creek Cyclocross race on November 8--the same day as our annual party--at Davis Creek Regional Park located just off US 395 in the north west corner of Washoe Valley.

The course combines pavement and single track, it climbs and drops through a Jeffrey Pine forest and out into desert scrub, and it incorporates run-ups and

barriers for all the great features of a hilly cyclocross course.

Come out to race, volunteer, or just spectate. Contact [Robert Braun](#) if you can help as a volunteer. We need people to help layout the course and restore the course after the race. It doesn't take too much time and volunteers race for free.

Presidential Positivity Party Posting

Chris Rhiner, President

This gorgeous weather is keeping our ride season going so lets enjoy it while we can! I write this after completing our club's annual fall "almost a century" 86 mile club ride. The endorphins are still flowing freely and life is really good.

After much hunting for a location to hold a party worthy of the amount of effort our members have put in to making Alta Alpina/The Challenge a success this year, we finally have chosen Genoa Lakes Golf Course. We all love "Holiday Parties" right? Well, we are working to create an elegant and relaxed atmosphere for socializing and celebrating a great year of cycling. We do need to take care of some business to abide by our bylaws at this event so please understand we have a short formal portion on the agenda but the focus will be on having a party. Dress will be "smart casual" but would love to see some of you gentlemen dressing up and sporting a tie. The party scheduled for the evening of the Davis Creek Cyclocross race so I encourage you to spend the morning racing, spectating, or volunteering and then heading over to Genoa. You're welcome to bring a non-member but we'll be charging \$40 (our cost for each dinner), sorry we can't really bend on that one but we do welcome all.

We will have two raffles, our annual dour prize raffle with prizes from our fabulous local cycling shops and a "green" raffle. To enter in the "green raffle" add up the amount of "commuter" miles you did this year (estimate is ok) and you will get one ticket for a chance to win 1 of 4 prizes, 2 male appropriate prizes and 2 female appropriate. I can't wait to see you there and I hope we can have a positively fabulous time!
